To whom it might concern,

This is to certify that Mr. Vezeteu Eugeniu followed my undergraduate courses in Formal Language Theory and Computational Complexity, which I currently teach at the Faculty of Mathematics and Informatics, “Ovidius” University of Constanta, Romania. His academic performance was generally excellent, Mr. Vezeteu being a capable student in our university.

I feel confident that he will continue to succeed in his studies. Mr. Vezeteu is a dedicated student and thus far his grades have been exemplary.

I can attest to his determination, persistence, enthusiasm, and positive attitude. In addition, I can certify his capacity for analysis and synthesis, as well as his programming skills in various programming languages.

It is truly my pleasure to write this letter of recommendation for postgraduate studies at your University to such a good student. I believe that Mr. Vezeteu has plenty potential that your postgraduate program will certainly improve.

For further details about Mr. Vezeteu, you can contact me at the address stated in my letterhead.
